POEM

It's never the right time
To say goodbye.
I will miss you, Dad,
And here is why.
You taught me so much:
To show no fear,
To always have fun,
And face the day with cheer.

You never looked for praises,
And you were never one to boast.
You were always there
For those you loved the most.

And because of you,
I understood
That life was actually
Pretty good.
I believe in you
And will follow your path,
And when things go wrong,
I'll look back and laugh.

I hope you can hear me
So I can let you know
That you were and will forever
Be my forever Love.
So yes, today
I am full of sorrow,
But I will smile a little more
With each tomorrow.

So please, Dad, go
Be at rest
And know to me
You were always the best.

I love you so much and miss you every day!
