OUR SISTER, OUR ANGEL IN HEAVEN

To our Beautiful Sister in Heaven

Dear Sister, how do we say goodbye,

When our hearts still ache and we still

Ask why? You left this world far too soon,

now you are our angel beneath the moon.

We shared our laughter our tears, our days,

Memories of you will never fade away.

No matter how much time may odd,

The love between us will always last.

We wish we could hug you one more time,

hear your voice and see your smile shine.

To tell you we love you, just one more day,

and all the things we never got to say.

You were not just our sister; you were part of our soul,

A piece of our hearts that made us whole, though heaven

called you home above, you will always be surrounded by

our love.

We will carry your memory wherever we go,

keeping your spirit alive as we grow.

And when the nights are long and we feel alone,

we will find comfort knowing heaven is now home.

Until the day, we are together again,

you will live in our hearts until the very end.

Rest peacefully, Sister, our angel so true, Forever, and

always WE WILL LOVE YOU.

Love Always,

Your Brothers and Sisters

Memories Last

Forever!
