He was born October 10, 1947 to Velma L. Hall in Lexa, Arkansas. He graduated from Eliza Miller High School in West Helena, Arkansas. Upon graduation, he enlisted and served in the U.S Army. After serving his country for over 5 years, he left the military with an honorable discharge and moved to Boston, MA during the 1970s.

During the early 1980s he sought and obtained employment with General Electric where he would remain for over 30 years until his retirement. In 1991, he married the love of his life, Antoinette S. Roberts. As a result of this union he was further blessed with two additional sons: John and Dana Roberts. He and Antoinette were happily married for over 10 years until her untimely passing.

Herman was a dedicated family man and cherished by many. He loved fishing, singing, dancing, playing cards and watching sports. He was also lucky at picking winners.

He is preceded in death by his beautiful wife, Antoinette S. Roberts; his mother, Velma Lee Williams; two siblings: Jean Tippett (sister) and Alray Williams (brother).

He leaves to cherish his memories four children: (Tyrus, Larasha (Shenell), Edward and Marlanea), two siblings (Juanita Caine and Allen Williams), fifteen grandchildren, two great grandchildren and a host of other relatives and friends..

Dear Papa

Dear Papa,

You may not be hear to see me, but I know your listening. This was tough for me to write because of the amount of love I have for you could never be expressed. You were such a huge part of my life. I inherited the part where I'm like 6ft tall, sing randomly everywhere and hit people when I'm laughing and I can thank your genes for that. LOL

Thank you for being not only my papa but my best friend. You are the light to every room and not only were you a good grandfather, but the way people talked about you showed that you made a huge impact on everyone else's life too. Losing you was the first time, I lost a grandparent, but you have opened my eyes for the better on how to be so grateful for the family I have around me.

"One thing he definitely taught me was to not waste my breathe on trying to correct a southern persons to say SA instead of SHA."

You were so giving, selfless and would do anything to see the people around you happy. Papa, I hope you are in heaven having a great time, dancing, eating crab legs (Ghi: "Girl you know he love his chitterlings") watching your westerns and getting the guys together for a card game.

One day I will see you again and please know we will all miss you so much. I'll see you again one day Papa, but until then continue being my guardian angel.

Thank You so much for joining my family in celebrating the life of our Papa. A man I'm so proud to call My Grandfather.

WE LOVE YOU --Sanaiye, Ghi-Ghi, Tajanae

In Our Hearts

Author Unknown
We thought of you today.
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have are memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
We have you in our heart.

Until We Meet Again!
