After Glow

I'd like the memory of me
To be a happy one,
I'd like to leave an after glow
Of smiles when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve
To dry before the sun,
Of happy memories that I leave
When life is done.

With Special Thanks

The family would like to give thanks to everyone who has supported the family through this very difficult time.
