

Forever Our Mother

Mama, your beautiful smile, generous heart, and determined spirit will stay with us always. You taught us to work hard, follow our dreams, and give from the heart. We will miss your voice, your laughter, and the comfort of knowing you were near.

Rest peacefully in God's loving arms. We will carry your love with us and keep your memory alive in the stories we share.

Forever your children,
Jeremy, Tyreke, Tysheoua, Jatyra & Isaiah

Celebrating the Life of Christy B. Johnson

July 6, 1966 – October 13, 2026

Christy B. Johnson lived with a smile that brightened every room, a generous heart, and a determination that carried her through life. Born on July 6, 1966, to Preston Johnson and Gladys Moore, she was born and reared in Sanford, Florida, where she built a lifetime of friendships and cherished memories. Her earthly journey came to a close on October 13, 2026.

Christy graduated from Seminole High School, where her many interests and talents found expression. She participated in the school band as a flag girl and clarinet player, sang in the choir, and played basketball. Her love of singing remained a treasured part of her life. She later pursued her interest in beauty and creativity by attending Paul Mitchell cosmetology school.

A true go-getter, Christy possessed a natural gift for connecting with people and making things happen. Her work took her from selling furniture to selling cars, and her entrepreneurial spirit eventually led her to open her own business, A & B Fashions. With confidence, determination, and a welcoming smile, she approached life ready to turn possibilities into opportunities.

Christy's faith was part of her life's foundation. Her church journey included membership at Progress Missionary Baptist Church of Sanford, longtime membership at New Beginnings in Sanford, and fellowship at Agape Perfecting Praise. Through these church families, she shared in worship, song, and Christian fellowship. She also shared a chapter of her life in marriage to Ralph Daniels.

Beyond her work and church life, Christy found joy in simple pleasures. She loved singing, enjoyed a good seafood meal, and had a special affection for animals. Throughout her lifetime, she welcomed many dogs and birds into her care. Above all, she will be remembered for her giving spirit. She was the kind of person who would give someone the shirt off her back, and her ever-present smile reflected the warmth she shared so freely.

Christy was preceded in death by her father, Preston Johnson; her mother, Gladys Moore; her brothers, Elvis Fuller and Leroy King; her sister, Cynthina Moore; and her granddaughter, Mariah Miller.

She leaves to cherish her memory Ralph Daniels; her five children, Jeremy Webster, Tyreke Johnson, Tysheoua Johnson, Jatyra Miller, and Isaiah Bell; her five grandchildren, Meana James, T'aisa James, Nasir Parks, Kareem James, and Nasirah Parks; and her beloved grandmother, Bertha Lee Johnson, affectionately known as "TuTu."

Her memory will also be treasured by her brothers, Gary Jerome Fuller, Victor Lee Fuller, and Elvis Delaney Moore; her sisters, Denise Moore, Vivian Burnett Fuller, Cynthia Joyce Moore, Shirley Ann Fuller, and Rose King, all of Sanford, Florida; Joyce Moore of Norfolk, Virginia; Shirley King and Tina Hooks, both of South Carolina; and a host of other relatives and dear friends.

Christy leaves those who loved her with memories of laughter, kindness, determination, and a smile that will never be forgotten. Her life reminds us to pursue our dreams, give generously, and find reasons to smile along the way.
