

Millie Anne-Marie Mallory gained her angel wings on May 27, 2025.

She was born on May 2, 2025, at Overland Park Regional Medical. Her parents, Andrew Mallory and Kylie Knight excitedly waited for her arrival. Millie was the light of her parents' eyes, and was a blessing.

Even though she was only on this earth for a few weeks, she had a large personality and wasn't afraid to give anyone a side eye. Millie loved to be held, and would fuss whenever she was put down. She would be most active at night, keeping her parents awake and on their toes.

Millie made a huge impact on so many lives, and was the sweetest bundle of joy. Everyone fell in love with her the minute they met her. Millie enjoyed snuggling with her parents most of all.

She is survived by her loving parents, Andrew Mallory and Kylie Knight, paternal grandparents Jamey Mallory and Jennifer Mallory, great-grandparents, Elaine and Scott Walter, and Pam and Dennis Knight, uncles, JD Mallory, Bentley Knight, and Liam Knight, great-great aunt, Loree Neill, as well as many extended family members.
