FLY HIGH MY LOVE

MY MOTHER WAS THE BEST WOMAN I'VE EVER KNOWN. SHE SHOWED ME VULNERABILITY. HUMILITY. INDEPENDENCY. SO STRONG WILLED AND RESILIENT. I REMEMBER LATE NIGHTS EARLY MORNINGS YOU GETTING TO YOUR CLIENTS AND NEVER COMPLAINING ABOUT HOW MUCH TIME OR ENERGY YOU HAD! YOU WOULD BUILD A HOUSE IF YOU COULD LOL. YOU WAS MY SUPER WOMAN MY SUPER SHEERO… I COULD COUNT ON YOU TO BE BY MY SIDE NEVER LOVE ME ANY LESS! I COULDN'T HAVE ASKED FOR A BETTER MOTHER. ME AND YOUR BABIES WILL MISS YOU SO MUCH MAMA. I KNOW YOU'LL BE WATCHING WITH MY DAD. TAKE CARE OF ME. NEVER LET ME GO!

FLY HIGHT MY LOVE. -----RAVEN

A LOVING TRIBUTE TO MY BIG SISTER, NEICY

You were playing with me and calling me your sister before I even knew my own name. You used to braid my hair, put beads in it, and make sure you used plenty of TCB oil. You let me play in your hair while I sucked my thumb until I fell asleep. I remember us rocking on the couch together while you played music.

Everyone at school loved you. I remember you entering talent shows at the field house, singing "And I Am Telling You" by Jennifer Holliday. I would watch you rehearse in the mirror, never knowing just how precious those moments would become.

We shared so many memories throughout our lives, from growing up together to becoming adults, having children, and sharing so many experiences along the way. I even had the honor of standing beside you as your matron of honor on your wedding day.

Neicy, I'm going to miss you more than words could ever express. You were a wonderful big sister. We shared so much love, laughter, and life together that no amount of paper or words could ever capture it all.

We shared a sisterhood where love was always understood and present. It never had to be questioned because it was always there. You were truly a gift from God, and I will forever be grateful that He chose you to be my big sister.

Dimples, Trent, and I are going to miss our sister Neicy dearly.

We love you to infinity and beyond.

Until we meet again, my sweet sister.

Hey beautiful!

Is what I would hear with every greeting; My response will be hey gorgeous.

I think about the times where I would lay on your lap or sit between your legs as you braid my soul, I think about watching you rearrange and decorate your whole house while listening to the Mississippi Mass choir or Joy Unlimited blasting from the speakers, I think about playing Spades or playing Tonk and having to watch you closely because I know you're gonna cheat and try to steal my 50 cent or my dollar but I would ignore the times where I knew you really needed it so I would let you go ahead and take it, I think about how you would show up to my house and we watch a movie on your breaks when you had field trip for work.

I think about the end of our get together or the very beginning of the get together how you would come help me set up or stay after to clean, I think about you making sure that I had a seat in the front row to come and watch you sing in the band or taking me to a comedy show, I think about you being upset when I cooked the food too spicy, I think about paying for your ticket to a movie, but you leaving because you were too scared of any horror film.

As I settle into my new normal, my heart breaks just from the thought. I know you are in a better place and for that I'm happy for you. God truly blessed us to watch the miracles he performed right before you agreed that it was time. I'm very grateful that I have an enormous amount of memories to laugh about, watch videos, still have the opportunity to hear you sing, and unfortunately, now I will shed tears for you.

I will always keep your memory alive Auntie!
Love your F&F (First & Favorite Niece)
