

## *A Life Well Shared*

*We gather today with hearts entwined  
by memories so precious and so kind.  
A soul who walked with love so true  
and left his light in all he knew.*

*The joy he carried filled each space  
a steady warmth a sweet embrace.  
Through laughter, wisdom, every word  
his voice of kindness still is heard.*

*The lessons given the stories told  
more treasured now than purest gold.  
Each heart he touched each life made bright  
now carries forward his endless light.*

*Though gone from sight he's never far  
his love lives within us that's who we are.*

*In every smile in all we do  
his spirit stays his love shines through.*

*May we all move forward with  
that love and light!*
