

GODS GIFT TO ME...LIFE!

I smiled, I laughed, and I cried as I lived my life
It was a gift from my amazing Father, my creator and savior
A gift wrapped with many emotions, ups and downs and plenty of tears
but a life filled with so much love, pain, and sacrifice
I was a mother, a loving wife, a friend to so many...it was God's gift to me
He gave me a loving husband and three loving kids through the years
They made me smile, they made me laugh, they made me cry...Gods gift to me
He surrounded me with such beautiful flowers that seemingly smiled at me
as I cultivated them with love and watched them grow
my God, my God, O how those flowers excited me
so many different shades of love like a glowing rainbow touched by my hands...oueee
They were Gods everloving gifts just for me
Thirty two thousand, one hundred and twenty days give or take equals
Eighty-eight years of enjoying this life
As I stood by and watched so many loved ones depart Gods loving earth
It is now my time to extend a loving hug filled with memories of days gone by
O yes, I smiled, I laughed, and I cried
So much joy and pain and tears of happiness
It is now my turn to say good night to my loving family, relatives and friends
I've said my last prayer and laid my head down to rest
I leave you with a loving smile, and crazy laugh
For all you beautiful loving souls I have turned out the light
I love my new home and the rainbow of flowers...oueee

I assure you...I am alright

God's gift to me...my Life!

Love You dearly Aunt Jessica, as we all smile and say to you...
"we will see you again"...Good Night!

Your Loving Family!
