CHRONICLE OF LIFE

TRIBUTES

THE BROKEN CHAIN

We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, but you didn't go alone. For part of us went with you the day God called you home. You left us peaceful memories, your love is still our guide, and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, but as God calls us one by one the chain will link again.

We Love You
Your sisters and brothers

AUNTIE IN HEAVEN

Although you in sleep in Heaven now, you're not that far away, My heart is full of memories, and you're with me every day, you lived your life with meanings and with a smile upon your face, A world that was full of happiness, is now what an empty place, People say that only time would heal a broken heart, but like me and you it has been torn apart, I know you are at peace now, and in a place where you are free, Meet me at the Pearly Gates, when heaven calls for me

With Love
Your Nieces and Nephews

I'LL MISS YOU TT

Although I'm too young to understand the way things have turned out to be, I'm sure, in time, I'll start to miss you and your big heart that spoiled me. I'll miss your hugs, our little talks, snapping pics and eating all the snacks, but most of all, I'll miss hearing you say, "There goes my lil Jo-Cat". I know I don't understand that you must go now and get your rest, but know that I'll never forget you TT, because my TT was the best

Love Always Jo-Cat

BABY GIRL

Your memory is a keepsake, from which I'll never part, God has you in his keeping, I have you in my heart. Your life was a blessing, your memory a treasure, you are loved beyond words and missed beyond measure.

Love Your Big Brother
