

Acknowledgements of Appreciation

When I Am Gone

When I am gone, release me, let Go.
I have so many things to see and do
You must not tie yourself to me with tears
Be happy that we had so many beautiful years.
I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I travel on alone.
So, grieve for a while for me, if grieve you must
Then let your grief be comforted by trust.
It's only because we must part,
So, bless the memories within your heart.
I won't be far away, for life goes on
So, if you need me, call and I will come.
Though you can't see or touch me, I'll be near
And if you listen with your heart,
You'll hear all my love around you soft and clear.
And then when you must come this way alone
I'll greet you with a smile and say welcome home...
