LIFE'S REFLECTIONS

Raised in Satartia, Mississippi, Allen "Mane" Barnes; father, uncle, brother, grandfather, and friend, made his heavenly transition on Wednesday, April 10, 2024. He was born, May 16, 1955, the youngest of eleven children to the late, Johnny Lee and Ella Mae Smith Barnes in Yazoo County, MS. He was preceded in death by siblings Nellie Mae, JV, Sarah, Irene, Willie Lee, Madie Ree, Charles Ray, George, Alice, and Novella.

Allen received his education from Yazoo City Public Schools. He believed in God and loved the Lord. He moved to Chicago at an early age then came back to Yazoo after several years in Chicago. He lived with sisters, brothers and other relatives in Chicago and Yazoo County before settling in his own home in Yazoo City. He was employed at Brachs Candy Company (Chicago) and with Charles Scott Sr. for several years. Affectionately known as Mane, he always loved to laugh, tell jokes, and have a good time. He loved Lincoln cars and had a nickname for almost all of his relatives and friends. Mane was spoiled by several of his sisters, nieces, nephews, great nieces and great nephews, including the late, great Joyce (Henry) Campbell.

We will miss Mane and his memories will be forever cherished by his sister, Sylvia "Punch" Barnes; Special niece/caregiver Debra (Ed) Smith (Sue Gal as he called her); his children, Denise (David) Williams, Letrice Anderson, and Daphne (late Jeremain) Greer; his grandchildren, Deasia, KorDarius, Rufus, Rayshod, Jeremain Jr., and Jer'kalynn; his caregivers, Chelsea, Ly'Nell, Gabriella, Kaneilia, Ella Jo and Dana; a close friend, Cassandra "Moon" Granderson; and a host of other nieces, nephews, great nieces, nephews, cousins and friends.

TRIBUTES

Brother, those special memories of you will always bring a smile. If only I could have you back for just a little while. You always meant so very much and always will. The fact that you're no longer here will cause me pain but you're forever in my heart until we meet again.

Love Sylvia "Punch" Barnes

Mane, you grew up with most of us as we are close in age. We've created memories with you that will never fade. And although there are no more tomorrows we can share, yesterdays are always there. We love you as family should and cared for you because we could. Forever in our hearts and mind.

Your Loving Nieces and Nephews

Uncle Mane, all of us have our fun and heartfelt memories with you; memories that could only be created because of you. You've told us about your life, you nicknamed us, Spike, Keke, That Girl, Partie, Bahamas, and lady Te to name a few; we've laughed and had so much fun with you. You said you didn't know about that Facebook, but you knew how to work that phone to call and get your plate, groceries and store items. Your absence will be known and felt deeply by us all. We'll smile remembering all the times you made us laugh and how much you love us.

Love Your Great Nieces and Great Nephews

Uncle Mane, I will miss our phone calls and you telling me stories about your life. I will miss you calling to place your food & grocery orders from Jackson and only trusting me to handle certain things. You always made me laugh each time we talked and expressed how all you had was family to care for you. I will miss getting on to you about your habits (you know).

I was the last person you talked to on the phone and this will forever be cherished in my heart.

**Love Your Great Niece,
Chelsea (Keke)**

If tears could build a stairway and memories were a lane, we would walk right up to heaven and bring you right back again. No farewell words were spoken, no time to say goodbye, you were gone before we knew it, and only God knows why. Our hearts still ache in sadness, and secret tears still flow, what it meant to lose you, no one will ever know. But now we know you want us to mourn for you know more, to remember all the happy times, life still has much in store. Since you'll never be forgotten, we pledge to you today, a cherished place within our hearts is where you'll always stay!

**Love Your Children,
Trice and Daphne**
