“Until We Meet Again”

I still reach for you in the quiet of night,
When the house is asleep and the stars hold their light.
Your pillow stays close, your scent lingers near,
A whisper of comfort that says, “I’m still here.”

You taught me of laughter, of love that won’t fade,
Of promises kept, and memories made.
The days feel much longer, the nights never end,
Since I lost my companion, my soul mate, and my friend.

I talk to the wind, hoping somehow you’ll hear,
Each word that I send, wrapped in a tear.
If love could’ve saved you, you’d still be right here,
Smiling that smile that made life so clear.

But I’ll keep on living, as you’d want me to,
Carrying pieces that still belong to you.
Your voice is the echo that steadies my pain,
Until life brings me back to your arms again.

Your laughter lingers in the air,
Your kindness lights my way,
And though my tears may freely fall,
Your peace is where I’ll stay.
So rest, my love, in gentle grace,
Your journey’s reached its end,
But here, within my beating heart,
You live, my love, my friend.

-Love your Wife

LOVING TRIBUTES TO ***RICHARD JAMES JOHNSON***

We'll Still Ride On"

You took your final ride today,
The road ahead now paved in grace.
Your spirit's free, your wheels still turn,
In every sunset's golden burn.

You lived with heart, you loved so strong,
And though you're gone, your soul rides on.
Forever in our hearts, your song—
We'll still ride on.

My Forever Angel

You was more than just my Papa, you was
my peace,
The kind of love that doesn't fade, even
when hearts cease.
Your laugh still echoes, your smile still
shines, and every good memory, still stuck
in my mind.
You held me close since I was small, Loved
me through everything, through it all.
You gone, but you ain't really away – You
just restin' higher, watchin' me every day.
