In Our Hearts

– Author Unknown

We thought of you today.
But that is nothing new.
We thought about you yesterday
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have are memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part
God has you in his keeping.
We have you in our heart.

Grandma

– Author Unknown

Grandma I just want to say thank you
For everything you do
From being there for me always
And just for being you
You're always there to talk to
Whenever I'm feeling low
And I appreciate every minute
More than you'll ever know
Time was never wasted
When I was sat upon your lap
Or when you held me in your arms sometimes
So I could take a nap
Our family is so special
And it's you that makes it shine
Yes there are other Grandmas
But there's none as good as mine
