When you speak from the heart the words will flow
 Telling everyone you know
 What a beautiful soul that has been lost and what a great hurt it has cost.
 What a beautiful flower
 That God has plucked
 Oh, why our plucky duck.
 A heart so pure and true
 My brother why you
 So many dreams
 So much ambition
 So many things to accomplish.
 So much potential.
 I wonder what could have been
 But God said “Son come on in “
 I have something greater for
 And this life you’ll have with me is forever true.
