

God took the fragrance of a flower,
The majesty of a tree,
The gentleness of morning dew,
The calm of a quiet sea,
The beauty of the twilight hours,
The soul of a starry night...
The laughter of a rippling brook,
The grace of a bird in flight,
The tender care of an angel,
The faith of a mustard seed,
The patience of eternity,
The depth of a family's need...
Then God fashioned from these things
A creation like no other,
And when his masterpiece was through

He simply called it - Mother.
