Obituary

Ceresa E. Curtis was born March 9th 1933 to the late Annie O. Williams and the late Horace Withworth in Baltimore, Maryland. Ceresa departed her life on January 27, 2023.

Ceresa received her education at Baltimore City Public Schools.

She worked in the medical field for years taking diligent care of people, which she loved to do.

Ceresa was a warm spirit who loved to be around children. She was absolutely loved by many, but if you got on her bad side, you would sure know it. She was slick with her mouth and would cut you with her words.

Ceresa was a loving mother, grandmother, great-grandmother, and great great grandmother. She loved to sit and watch Tv, do her crossword books and scratch her scratch offs all while eating a butter scotch krimpets and drinking a cold Pepsi Cola soda. Ceresa really enjoyed her time at the casino with friends where they would often get on the bus and go to Atlantic city and have fun. In her later years she enjoyed going to the casino with her son Tony.

Ceresa is preceded in death by her twin sister Theresa S. Curtis and Barbara A. Witworth, three sons, William, Warren, Jerry Curtis, three daughters Elaine, Patricia, and Yvonne Curtis, one granddaughter Tammy Curtis.

She leaves to cherish her memory one loving son Anthony (Tony) Curtis, two special grandchildren who she raised as her own Latiasha and Latasha Curtis, nine other grandchildren, and a host of great-grandchildren, great great-grandchildren nieces and nephews' relatives and friends.

Benediction

We had a wonderful grandmother

One who never really grew old

Her smile was made of sunshine

And her heart was solid gold

Her eyes were bright as shining stars

And in her cheeks fair roses you see.

We had a wonderful grandmother,

And thats the way it will always be.

But take heed because Shes still keeping an eye on all of us,

So Lets make sure she will like what she see's

From Your Loving Great Granddaughter

Tijah Worsley

My mother is a woman like no other.

She gave me life, nurtured me, taught me, dressed me, fought for me, held me, kissed me, but most importantly, loved me unconditionally.

There are not enough words I can say to describe just how important my mother was to me, and what a powerful influence she continues to be...

Mother, I love You.

Your loving son,

Tony
