

In Loving Memory

You gave me a life full of love and guidance. You took the opportunity to step in to raise me when times went bad back then. I remember you taking me to basketball practices early in the morning. You never complained; you were always there when needed. It was something you didn't have to do, but in your heart, you did, and I'm very thankful for that. You gave me the best life ever, and the memories will keep me going. You were even there when my mom passed away; you stepped in again and were there for me. I called you when I needed to talk, and you were there. When I needed advice, you were there, too. Even when I was at my lowest, you were there. And I thank you from the bottom of my heart for all you have done for me all these years. I held your hand when you were taking your last breath and leaving this life for the spirit world. My world changed forever when this all happened. I never wanted to lose you nor see you go through what you did in your last moments of life. I'll always love you and be appreciative of everything you have done for me, and I'll continue in this life knowing how lucky I was to have you there.

Rest in peace.

Love always,

Shana Multine

And so Many More!!!!

If Tears Could Build A Stairway

*If tears could build a stairway and memories
were a lane we would walk right up to Heaven
and bring you back again.*

*No farewell words were spoken, no time to say
goodbye, you were gone before we knew it and
only God knows why.*

*Our hearts still ache in sadness and secret tears
still flow, what it meant to lose you no one can
ever know.*

*But now we know that you want us to mourn for
you no more, to remember all the happy times,
life still has much in store.*

*Since you'll never be forgotten we pledge to you
today a hallowed place within our hearts is where
you'll always stay.*
