Rodney Henslee

*You are singing with the angels now
On earth, you took your final bow
We know you couldn't stay here anymore
You were called home to Heaven's door
God needed you to come home to him
We say goodbye to a great husband,
son, father, and friend
I know we will see you again one day
That helps us find some peace today
You blessed us all with your talents and charm
From singing a song and playing your guitar
Thank you for all the laughs and good times
You'll be in our hearts till the end of time*

Rodneyisms

- Finer than a frog hair split 3 ways
- It'll feel better when it quits hurting
- Fuller than a tick on a bloodhound -Shut up before you say something funny and make us all fall in the floor laughing
- Cry baby, cry baby waawaawaa
- Next thing you know, you won't know nothing.
 - Spit it out. It ain't yours.
- I make this shirt look pretty -See ya Bye
- You knew the job was dangerous when you took it -You play with the bull you get the horn
- It's my duty to please that b???y!
