Pearl's Tributes

My sympathy to all of Pearl's loved ones. Pearl and I were high school classmates. She was always so kind and forgiving and a friend to all! I am grateful for the extensive time I spent with Pearl during the last all school reunion in Hancock. She shared many pictures, articles, and letters that initiated a lot of enjoyable reminiscing! In memory of Pearl, a memorial will be sent to the Stevens County Historical Society. Rest in peace my dear friend!! Helen Torgerson - class of 1955 -

Like Bonnie I was in that same neighborhood in Hancock. Pearl was my baby sitter. It was nice to visit with her about that. Craig Swenson

To Pearl's family, we are sorry to hear of your loss. I knew Pearl from SCMC and a few committees that we served on together. She was truly one of a kind and so pleasant to be around. She had graduated from HS with an uncle of mine and whenever we visited, she would ask about him and his family and would like to reminisce a bit about them being in high school together. May you find comfort in the days, weeks and months ahead through the memories you carry of her in your hearts! Rest in peace Pearl! Dawn Thiel

Sending our sympathy and prayers. Pearl was a bright light in all that she did. As a proud member of the garden club, she recruited me to be a member. She definitely had a green thumb and a true plant whisperer. She was a great friend. Kathy Bahr
