

Beyond Life's Gateway

There's an open gate at the end of the road,
through which each must go alone,
and there is a light we cannot see,

Our father claims his own.

Beyond the gate your loved one finds happiness
and rest and there is comfort in the thought
that a loving God knows best.

May God who calls our dear ones home
and grants them peace and rest
give you the strength and faith to say,
that He indeed knows best.
