WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me,
I wish so much you wouldn't cry the way you did today,
While thinking of the many things, we didn't get to say.
I know how much you love me, as much as I love you,
and each time that you think of me, I know you'll miss me too.

TRIBUTES OF LOVE

Gone too Soon
Words cannot describe the loss I feel
Saying farewell to you,
But Heaven chose to give you wings
And now it's time you flew.
I wish that we could have more time,
That God had let you stay.
Forever would not be long enough
But I would take one day. I wish I had just
one more chance to see that tender smile,
To laugh with you again, my Dear just for a little while.
Gone too soon, but not forgotten,
forever you will remain,
My guiding light, my shining star,
until I see your face again.
Love L.C. Stewart

To My Mom
A multiplying Rose is so, so rare,
A bond so tight, to understand you had to be there.
Never once had I imagined this type of pain.
I'm going to stay strong and live through your name.
I love you Yesterday, Today, and Forever.
Of course, you knew from one Rose to
another I am a reflection of you.
Love Always,
Your Only Daughter, Rosie

Mom,
The world feels quieter without you,
but our hearts still hear your voice.
We miss your hugs, your gentle strength,
the way you loved us even on our hardest days.
You were our safe place, our first home,
our forever teacher. Though Heaven holds you
now, we'll carry you in everything we do.
We will live in a way that makes you proud.
And we will always, always be your sons.
Love Willie, L.T., and Dajuan

**GOD WILL WIPE
AWAY ALL TEARS
FROM THEIR EYES.**

Missing You Always
You never said I'm leaving; you never said goodbye.
You were gone before we knew it and only God knows why.
In life I loved you dearly in death, I love you still, in my
heart, I hold a place that only you can fill.
It broke my heart to lose you, but you didn't go alone,
a part of me went with you the day God took you home.
We love you Grandma going to miss your touch and smile.
The love you gave will never be forgotten or replaced.
We'll be together again one day.
But watch over us along the way.
Love Your Grandkids

A Dedication to My Sister Rose
I have always been the rock of our family since our mother
passed away. Especially to you, Rose, because you were the
fragile one of the family. I always promised to protect you
from anything or anyone that caused you harm. I am very
grateful, God allowed me to be there with you through the
last moments. I am hurting and missing you every day.
Love Your Sister, Josephine

To Our Dear AUNT
A- Always being there for us whenever we needed you
or where in need..
U- Understanding what Love Really is and was...
N- Never had to question your love when it came down
to your family.
T- Time we spent together will always be a memory that
Me and my Family will Cherish always.
Love Peewee, Your Nieces and Nephews
