

*What is this thing that men call death,
This quiet passing in the night?
'Tis not the end, but genesis
Of better worlds and greater light.*

*O God, touch thou my aching heart,
And calm my troubled, haunting fears.
Let hope and faith, transcendent, pure,
Give strength and peace beyond my tears.*

*There is no death, but only change,
With recompense for vict'ry won.
The gift of him who loved all men,
The Son of God, the Holy One.*
