*When I come to the end of the day  
And the sun has set for me  
I want no rites in a gloom-filled room.  
Why cry for a soul that's set free?  
Miss me a little, but not too long  
And not with your head bowed low.  
Remember the love we once shared,  
Miss me, but let me go.*

*For this is a journey we all must take  
And each must go alone.  
It's all a part of the Maker's plan  
A step on the road to home,  
When you are lonely and sick at heart  
go to the friends we know  
And bury your sorrows in doing good deeds,  
Miss me, but let me go.*
