

Empty Chair

*There's an empty chair at our table.
A missing leaf from our family tree.
A break in our family circle.
An empty feeling inside of me.*

*You've left our family here on earth
and friends who hold you dear.
Your spirit is in paradise,
but in our hearts you're near.*

*God gave us families here on Earth
to cherish and to love,
and one by one He'll call us
to our Heavenly home above.*

*Where chairs will be filled at our table.
Every leaf will be on our tree.
Our family circle will be complete
and how great our joy will be!*
