Shortly after he was born they moved to Wichita, Kansas where he attended Wichita public schools Robinson Jr high and Southeast. Shortly after high school he went to the Army serving from 1973-1976. Or just Mr. Quincy if you was a stranger lol. Pappy/Uncle Bruh had a smile that would light up the room and just make you feel at ease. Pappy/Uncle Bruh will always be remembered for loving to spend time with family, riding bikes with his son and nephews, rebuilding and working on cars, building model cars, and little diaphragms of cities. He also loved fishing,hunting,to travel and go visit new places, he loved to draw and listen to jazz or blues. More importantly you could always find him reading his Bible or watching the history channel or news. His most treasured people to spend time with were his son, grandsons, nieces and nephews. He was always encouraging family to pursue what they loved doing drawing, dancing, singing, or just being goofy. Most importantly he always gave you a word from the lord and always was about helping family as well as strangers. Pappy/Uncle Bruh will be missed for all his tough love & wise words.
