In Loving Memory of

Jeanie Truduce Gravelly

You were our sunshine every day,
Our gentle light, our guide, our way.
With every smile, with every touch,
You showed us love that meant so much.

You warmed the hearts of all you knew,
With kindness deep and spirit true.
Though clouds may hide your face awhile,
We'll feel your light in every smile.

For love like yours will never fade—
It shines through all the lives you made.
So when we miss you, through our tears,
Your sunshine stays across the years.
