GONE TOO SOON

Words cannot describe the loss I feel saying farewell to you, but heaven chose to give you wings, and it's time you flew. I wish that we could have more time, that God had let you stay. Forever would not be long enough, but I would take one day. I wish I had just one more chance to see that tender smile, to laugh with you again, just for a little while. Gone too soon, but not forgotten, Forever you will remain, my guiding light, my shining star, until I see your face again.

Love, your cousin Kayla
