

Bless us all

Life is full of sweet surprises
Everyday's a gift
The sun comes up and I can feel it lift my spirit
Fills me up with laughter
Fills me up with song
I look into the eyes of love and know that I belong
Bless us all, who gather here
The loving family I hold dear
No place on earth compares with home
And every path will bring me back from where I roam
Bless us all, that as we live
We always comfort and forgive
We have so much, that we can share
With those in need, we see around us everywhere
Let us always love each other
Lead us to the light
Let us hear the voice of reason, singing in the night
Let us run from anger and catch us when we fall
Teach us in our dreams and please, yes, please
Bless us one and all
Bless us all with playful years,
With noisy games and joyful tears.
We reach for You and we stand tall,
And in our prayers and dreams
We ask You bless us all
We reach for You and we stand tall,
And in our prayers and dreams, we ask You,
Bless us all

*Your kind expression of sympathy and caring is more
deeply appreciated than words of thanks can ever express.
