THE LIFE OF

Kameron L. Cannon

Kameron Lashaun Cannon of Plantersville, Mississippi, departed this life on September 19, 2026, at the tender age of 15. He was born on March 2, 2011, to Telisha Shumpert and Kervin Cannon.

Kameron was a student at Shannon High School and was a proud member of the Class of 2029. Kameron was a loving, energetic, and joyful young man who brought happiness to everyone around him. He enjoyed fishing with his dad, Kervin Cannon, and exploring and hanging out with his best friend, Keterrious Bush "Teddy", and playing basketball and football with his favorite cousin and best friend, Bryson Shumpert.

Kameron also enjoyed horseback riding, getting fly with his brother Marquallen, eating seafood with his sister Miakaah, and watching his big brother "Fat Daddy" excel in college football. During his free time, he enjoyed watching movies and eating ice cream with his mom, Telisha Shumpert, and taking bikes apart and putting them back together. He had a natural curiosity and a love for figuring things out.

At such a young age, Kameron had a special love for small children like no other. His gentle spirit and the joy he found in being around children were a beautiful part of who he was. Kameron had a way of making memories with the people he loved that will never be forgotten.

Kameron leaves to cherish his precious memories: his parents, Telisha Shumpert and Kervin Cannon; his siblings: Miakaah Shumpert, Marquallen Perkins, Jakheem Perkins, Itosha Hammond, Kevin Cannon Jr., and Jakayla Raines; his nephew, Omyri Perkins; and his dearest best friends, Bryson Shumpert and Keterrious Bush, along with a host of other relatives and friends. He was also deeply loved by his grandparents, Kimberly Shumpert, Samuel Amos, and Neddy Mae.

Kameron leaves behind many other family members and loved ones who will forever cherish the memories they shared with him, including Elijah Shumpert, Martavion Shumpert, Nicole Shumpert, Tameria Shumpert-Montgomery, Haislee, Haiston, Natalie Clark (Nyjah), Aaliyah Lee (Ava), Mercedes Clark, Latonya Harris Kheumani Shumpert, Alisha Tackett and Whitney Shumpert, along with a host of other family members and friends.

Kameron's love for his family and friends will forever remain in the hearts of all who knew and loved him. The laughter, love, memories, and moments he created will be treasured for a lifetime. Though his time on earth was far too short, the impact he made on those around him will never be forgotten.

His spirit will forever live in our hearts.
Forever Loved. Forever Missed. Forever Remembered.

IN LOVING MEMORY OF

Kameron Cannon

A BEAUTIFUL SOUL
NEVER FORGOTTEN

For Kameron Cannon

You left this world way too soon,
But your memory will always stay.
Your smile, your laugh, the times we shared,
Are things that won't ever fade away.
I wish I had more time with you,
More memories we could make.
But I'll hold close the ones we had,
And never let them fade.
You'll always be more than just a name,
You'll always have a place in my heart.
Even though you're not here with us,
Your love will never be apart.
Rest peacefully, Baby Bro.
You will be missed every single day.
Until we meet again, cousin,
I'll carry your memory all the way.

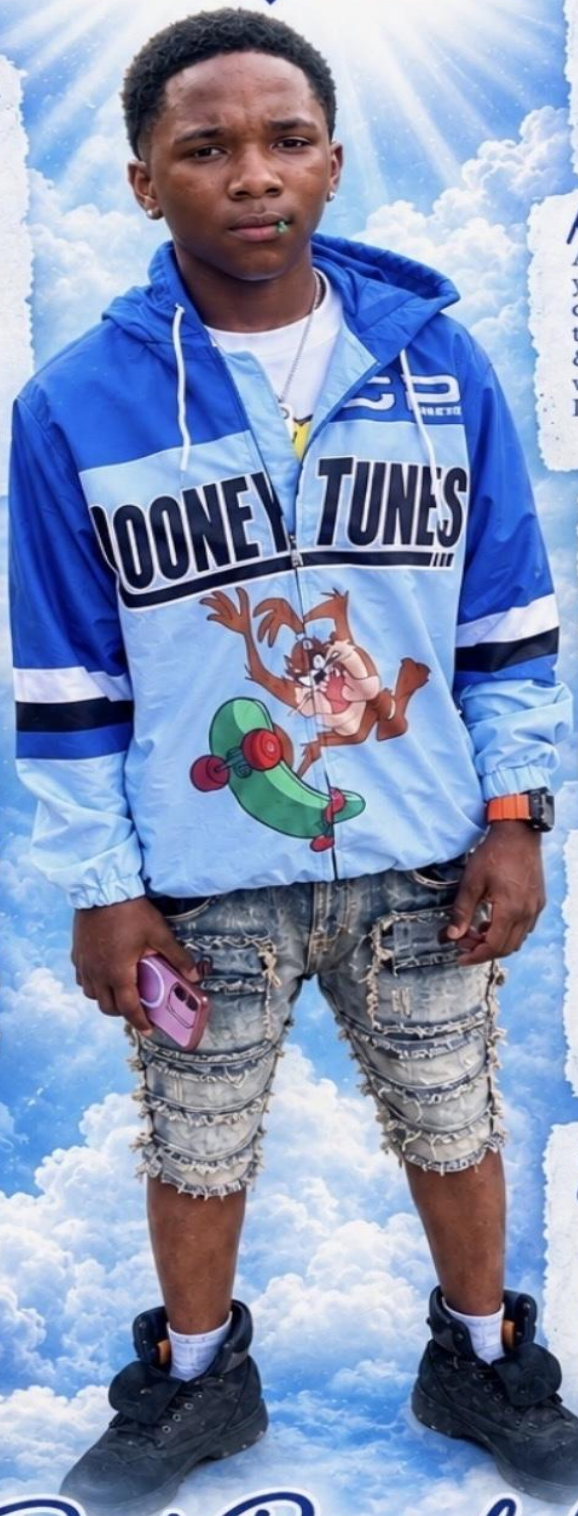

– Your Fav Cousin Bryson

To my dearest son Kameron,

my best friend, my diary,
my everything. There isn't enough
THANK YOU'S I can say to God
for him choosing me to be your mom!
I guess he knew I needed the type
of love that you gave me, because
the lord knows I did. You couldn't stand
to see me cry, look sad, or mad.
You wanted everybody to get along.
So i understand why God needed you
back. I just didn't know it would be
this soon. I'm lost without you but
I know you wouldn't want me to feel
that way so mommy is gonna be strong
just like you would want me to.
I love you Cap, forever until the afterlife.

P.S. Get ready to be tall in heaven! lol.

– Ma

We will miss you so much

Baby bro, I miss you. ♡

I'm going to exceed in college for you. I miss you asking me was it some more seafood left, even though it was for me to eat. Every time something went wrong, you'll be trying to get all your words out at once. I miss you being a problem solver, even down to my car. I still can't believe you chose a seafood boil over a fishing pole. Maybe it was to spend more time with me the day after your birthday. I'm doing all this for you now, it was never about me. I watched our YouTube videos back to back When we were younger. We loved each other so much. You would always listen to me because I barely showed emotions around you. But when i did show some, you would take them and cherish them. I'll forever love you baby bro, you'd cry seeing your sister hurt like this. I'm going to work hard for you. I love you with every bone in me.

"My first baby, my son. ♡

I know I was somebody you wanted to be like, somebody you also looked up to. The truth is I wanted to be like you in some ways. I wanted to learn how to fish like you, fix on cars like you. Me and you were the same person in and out. You were the first uncle to hold your nephew Omyri. The last things you told me were you wanted to play football. But the very last thing u told me, I love you. When God needed you, I wanted to be mad at him but I realized that you wouldn't want that heaven needed you more than I did. So I changed my jersey number to 51 honor you on the field my sweet baby. You lived 15 good years and now its my turn to carry on your legacy. I'll make sure nobody forgets you and especially ill make sure Omyri knows who you were. Say hey whats up to my dad for me my boy - I love you more my son , sweet baby, a big part of my everything
