Sorrowfully Submitted, The Family

Sister,

I'm blessed to call you sister. I also call you friend. You loved me unconditionally and stood through thick and thin. You shared my joys and sorrows, my laughter and my tears. You have been my inspiration as we grew up through the years. When we were little children, we laughed and played together. Then growing up, you stood by me, through good and stormy weather. There's something God has given us more than family; He placed a loved for you, my sister deep down in my heart.

Love, Nikki

To My Children,

When I must leave you for a little while, please do not grieve, shed wild tears and hug your sorrow through the years, but start out bravely with a gallant smile and for my sake, and in my name, live on and do all the things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I will in return comfort you and hold you near.

Love, Mom

loved...*
