

Forever Free

As we say farewell, please feel no sorrow,
for time on this earth, we only borrow.

Lucky was I, my heart had a home,
and with you by my side, I felt not alone.

You filled my life with happiness and bright.

Love cannot end, it cannot disappear,
I will always be with you, I will always be near.
And not that my journey has come to its end,
please know and take comfort in this my friend.

For me, for my life, please do not grieve,
for now I remain forever free.

In Loving Memory
