

In Loving Memory of Our Brother

We Thought of You Today

*We thought of you today,
But that is nothing new.
We thought of you yesterday
And will tomorrow too.*

*We think of you in silence
And make no outward show
For what it meant to lose you
Only those who love you know.*

*Remembering you is easy
We do it every day.
It's the heartache of losing you
That will never go away.*
