ALWAYS IN OUR HEARTS

After Glow

I'd like the memory of me to be a happy one.  
I'd like to leave an after glow of smiles when life  
is done. I'd like to leave an echo whispering softly  
down the ways, happy times and laughing times  
and bright and sunny days.  
I'd like the tears of those who grieve to dry before  
the sun, of happy memories that I leave when life  
is done.

Please join the family in honoring Tammy's  
memory and life.
