

I'm Free

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found peace, at the close of the day.
If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, this too I will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full; I've savored much,
Good times, good friends,
a loved ones' touch.
Perhaps my time seemed all too brief,
Don't lengthen it now, with undue grief.
Lift up your heart and share it with me,
God wanted me now, He set me free.
