Obituary

Kenneth Benjamin Chester Jr., son of Kenneth Chester Sr and the late Lisa Barnes was born October 1, 1989, in Baltimore, Maryland. Kenneth answered the call from God and entered his eternal rest on May 17, 2023.

Better known to many as "Manzy", attended the Baltimore City Public Schools (Cecil Elementary School, Heritage High School and Mervo High School). He was a proud member of the Debate Team in school. He was #1 in his Chess Club.

Manzy, enjoyed spending time with his family, playing video games, spades and riding with Block Burnas and Top Ranked Auto Club. (TRAC)

In 2019 Kenneth started his company Let's Get Active. His mission was to help the homeless community by influencing people to get active in their community.

Kenneth was a faithful employee of Aldi. He had a great impact on the customers who would often seek him out because of his compassionate and caring personality. He impacted many people greatly.

You could not be in his presence without smiling or laughing. He would light up any room with his smile.

He left a lasting impression on everyone he encountered. He was truly a loving husband, father, brother, and friend who will be truly missed by everyone who knew and loved him.

Kenneth was preceded in death by his mother: Lisa Barnes, grandmothers; Nancy Campbell and Deborah Chester.

He leaves to cherish very fond memories his loving wife Ashley Amanda Pulley; three loving daughters Kyi'Mira Amanda Maria Chester, Kamina Amanda Chester and Kaci Amanda Maria Chester; four sisters Kendra Chester, Precious Blake, Lachelle Clayton and Michelle Clayton; one brother Charles Blake III; thirteen aunts; nine uncles; four nieces; four nephews; nine cousins and a host of other relatives and friends.

There is no way I could come up with who you are to me. There is no way for me to express the importance of your very being in my life. How can I prioritize what we shared. I do know that I am empty now. That's what I could not understand, my soul has never felt alone because of you and now it's lost. I do not care to speak much, there is nothing I can say honestly. I will promise you that you will never be forgotten. You will continue to always be a part of me.

Love Always, Ashley

Our Dad

Our father was the King of our world. Whenever we needed him, he would come to our rescue, no questions asked. Our father is the rock of our life, he truly means the world to us. We love you dad and will always keep you in our hearts.

Love Always,

Kyi'Mira, Kamina and Kaci

*I Was supposed to spend the rest of my life with you
Then I realize you spent the rest of your life with me. I
smile because I know you loved me til the day you went
away and I'll keep loving you til the day we are together
again.*

Love Always,

Lachelle Clayton

*Never would I have thought I would be standing here but
I stand bold and strong for you and our family. I am
going to miss all those memories that we shared
together. The good and even the bad. Your laughter
brought so much joy to many lives. I am really going to
miss you, but I know you are watching over us right
now, so I will tell you again, I love you boy.*

Love Your Big, Big Sister

Kendra.

The Day God Called You Home

*You Never Said you were leaving
You Never said Goodbye
You were gone before we knew it,
And only God knew why.*

*A million times we needed you,
A million times we cried
If love alone could have saved you,
You never would have died.*

*In life we loved you dearly
In death we love you still
In our hearts you hold a place,
That no one could ever fill.*

*It broke our hearts to lose you,
But you didn't go alone
For a part of us went with you,
The day God called you home.*

Love Always,

Precious Blake
