IN LOVING MEMORY OF
MICHAEL ALBERT MUNRO
JUNE 2, 1952–FEBRUARY 10, 2024

On Saturday, February 10, 2024, Michael passed away at his home at Rocky Lake. After years of struggling with health issues, he fought his last fight.

Mike was born Monday, June 2, 1952, in Flin Flon, Manitoba and spent his early years with his family living at Little Cliff. He spoke fondly of his life there and the escapades he and his siblings encountered. He attended school and joked about the trek up and over the rocks to get there.

During his early years he worked at many different jobs. He worked at a parts store

and drove taxi. He seemed to gravitate to working in health care as he spent several years driving ambulance and as an orderly in hospitals in Winnipeg. He eventually ended up in The Pas working at Rosaire House where he spent many years helping others attempt to overcome their addictions. During this time, he took university courses with InterUniversities North and earned his bachelor's degree from the University of Winnipeg. When an opportunity arose to become a counsellor at Keewatin Community College, now University College of the North, he took on that challenge. He worked there in a few different positions until his retirement. He was a lifelong learner and often loved the challenge of anything new whether it was intellectual or physical in nature.

Mike loved to travel and see a few different parts of the world. He was especially happy to be able to visit Scotland, his ancestral homeland. Attending a Munro Clan Gathering at Foulis Castle was a definite highlight for him. His travels were often in the company of brother and sister in law, Garry and Cheryl Maxwell.

While Scotland was important, he reveled in the cruises through the Panama Canal, the Baltic, the Mediterranean, and Alaska as well as trips to Mexico, Hawaii, Vegas and California. He even had hats made up for GMX Travel as Garry did the planning for so many of the trips. Hawaii was also thoroughly enjoyed but the flight to get there was too long.

After Mike retired, he enjoyed just relaxing, working around the yard and travelling. The travel sort of ended with Covid but it was always in his thoughts. He was looking forward to a trip to Winnipeg in March that wasn't to see a doctor but was to watch nephew Reid Maxwell in a swim meet. He also spent several years

SCHOOL DAYS 58-59

volunteering as a member of The Pas Health Complex Foundation which he felt was a worthwhile addition to health care in The Pas.

When he was able, Mike loved fishing and going for walks. He also loved to eat good food. He was always willing to try something new or different in the eating area. Food was never too hot with spices and he even enjoyed black pudding!

Mike is survived by his wife, Linda; siblings Hugh (Jo) Munro, Kathryn (Chand) Desai and Barbara "Roberta" Munro; as well, in-laws, Cheryl and Garry Maxwell, Les Case, Bill and Lesia Case. There are also numerous nieces and nephews on both sides of the family.

Mike was pre-deceased by his parents, Hugh and Barbara Munro; and in-laws Stan and Ruth Case; brothers-in-law Winston Menard and Frank (Carol) Case; sister-in-law Shirley Case.
