

It may not seem like it right now, but there's always some light in loss. It brings people together when support is needed. This right here is everything. All of us sitting around where it all started and revisiting some memories of one of our favorite people.

Kyle was born on March 31, 1981, joining brothers, K.C. and Kelly who he loved very much. Kyle loved the San Francisco 49ers, NASCAR races and WWE never missing one for the other as he taped them all. TV was the best invention ever made in Kyles eyes. He shared this love with his nieces and nephews watching sports and movies late into the night. The laughs were endless, and Kyle was so proud to be their uncle.

His favorite thing to do was golf but make sure a golf cart was available! Kyle recently purchased new Callaway Clubs and was so proud to be golfing again with his favorite golfing partner Chris.

While living in Bismarck Kyle made many friends at The Lodge and Stadium. He always greeted them with his infectious smile.

Kyle is survived by his parents, Jay and Jackie; siblings, K.C. (Lynda) and Kelly (Julie); proud to be "Uncle Kyle" of, Mackenzie (Nolan), Taysha (Trapper), Ty, Maddox, Morgan, and Porter; and many aunts and uncles.

Announcement: Following the graveside service, please join the family for lunch and fellowship in the fellowship hall.
