IN LOVING MEMORY

Wouldn't it be great if...
I was always there
when you thought life wasn't fair
I always heard you out and
gave you the benefit of the doubt
I was always there to help you
and give you advice on what to do
I always felt your pain and kept
you from going insane
I always listened to your
fears and wiped away your
tears, that's why I know that
we will be together now and forever.
