

## Footprints In the Sand

*One night a man had a dream.*

*He dreamed he was walking along the beach with the Lord,  
across the sky flashed scenes from his life.*

*For each scene, he noticed two sets of footprints in the sand,  
one belonging to him, and the other to the Lord.*

*When the last scene of his life flashed before him,  
he looked back at the footprints in the sand.*

*He noticed that many times along the path of his life  
there was only one set of footprints.*

*He also noticed that it happened  
at the very lowest and saddest times in his life.*

*This really bothered him and he  
questioned the Lord about it.*

*“Lord, you said that once I decided to follow you,  
you’d walk with me all the way.*

*But I have noticed that during the most troublesome  
times in my life, there is only one set of footprints,*

*I don’t understand why you would leave  
me when I needed you most.”*

*The Lord replied,*

*“My precious child, I love you and I would never leave you.*

*During your times of trial and suffering,  
when you see only one set of footprints,  
it was then that I carried you.”*
