

APPRECIATION

The Hall family wishes to express their sincere appreciation for the many comforting thoughts and prayers, floral tributes, and many acts of kindness extended to each of them during this time. Each of you holds a special place in their hearts.

*He fought for his country many years ago,
With a soldier's strength that he'd always show.
He loved a good ballgame, his family and friends,
And stayed strong and stubborn right to the end.*

*He wasn't a man of fancy displays,
He showed us his love in quieter ways.*

*He provided, protected, and did what was right,
And when his body grew tired, he still chose to fight.*

*Eight days of strength - one final display
Of the man we had loved every step of the way.
And perhaps his greatest lesson is simple but true:*

It's never too late for Jesus and you.

*No matter the years, no matter the past,
His mercy still reaches us right to the last.*
