

We celebrate the life of a Hero, Teacher, husband, and wonderful grandfather, Ba FEH GREGORY ADOLF popularly known in different spheres as Mr Feh, Ba teacher, Honorable etc.

On the 10th of August 2009, he wrote a poem titled "A POEM OF VICTORY AND SUCCESS", where he started by quoting Julius Caesar: "The Valiant never taste of death but once, Cowards die many times before their death. Of all the wonders that I yet have heard, it seems most strange that men should fear to die, knowing that death a necessary end will come, when it will come."

In the poem he continued "To me it is quite a successful end through the help of a hard-working wife, able and successful children, and grandchildren". He went ahead to advise us saying: "If ever you saw in me some good values, imitate those that you are able to uphold and use them well, so that you may live a successful and happy life". He ended by saying "Space is inadequate to express my gratitude to my wife, children, and grandchildren for the love, care, kindness and encouragement given to me. Pray for me as I shall always remember you all".

From the above poem, it's difficult to say anything else about a man who has lived a fulfilled life, a man who was so wise, so organized, and so loved. He was a simple, honest, truthful, God-fearing man full of integrity.

On Sunday the 18th of September 2016, after coming back from Sunday Mass and after a good lunch with the family, he brought out sheets of paper and a pen and in our presence decided to write his WILL. What was most important was that on the third page of that will he decided to write his own funeral program. He was sick for a brief period and during this time, before going to meet his Maker, he hugged and blessed his lovely wife, children, grandchildren, and friends. Wiping off their tears he said, "I have lived a fulfilled life allow me to go back to my Maker."

He happily died on Sunday the 26th of January 2025, in the presence of his wife, children and grandchildren at the Oklahoma Heart Hospital, Oklahoma City, at 5:20 am. Sunday, the same day he wrote his Will and funeral program, and Sunday the day the Lord asked us to rest, he rested.

He leaves behind a united and peaceful family, a wife, six children (one with him in heaven Ba Dan) and sixteen grandchildren.

Because he knew where he was going and because of his faith in the resurrection, he asked us not to mourn but to celebrate him. Dear mourners join us to celebrate another saint in heaven.

A POEM OF VICTORY AND SUCCESS

“Cowards die many times before their death. The valiant never tastes of death but once. Of all the wonders that I yet have heard, it seems most strange that men should fear to die, knowing that death a necessary end will come, when it will come.”

-Julius Cesaer

To me it is quiet and successful ending through the help of a hard working woman, able and supporting children and grandchildren. If ever you saw in me, some good values, uphold and use them well so that you may live a successful and happy life. Space is inadequate to express my gratitude to my wife, children, and grandchildren for their love, care, kindness and encouragement given to me. Pray for me as I shall also remember you.
