

**When Tomorrow Starts Without Me**

When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
Are filled with tears for me

I wish so much you wouldn't cry  
The way you did today  
While thinking of the many things  
We didn't get to say

I know how much you love me  
As much as I love you  
And each time you think of me  
I know you'll miss me too

But when tomorrow starts without me  
Please try to understand  
That an angel came and called my name  
And took me by the hand

And said my place was ready  
In Heaven far above  
And that I'd have to leave behind  
All those I dearly love

So when tomorrow starts without me  
Don't think we're far apart  
For every time you think of me  
I'm right here in your heart
