

Gone too Soon

Words cannot describe the loss I feel

Saying farewell to you,

But heaven chose to give you wings

And now it's time you flew.

I wish that we could have more time,

That God had let you stay.

Forever would not be long enough

But I would take one day.

I wish I had just one more chance

To see that tender smile,

To laugh with you again my dear

Just for a little while.

Gone too soon, but not forgotten,

Forever you will remain,

My guiding light, my shining star,

Until I see your face again.
