Don't Cry For Me

Don't cry at my grave,
Cause I won't be there.
I'll be in the breeze that ruffles your hair,
I'll be in the sunshine,
I'll be in the snow,
I'll be in the places we use to go.

I'll be in the laughter and in funny things.
I'll be in your shadow
and there in your dreams.

I'll be in your greetings,
but not your good-byes.
I'll be in the reflections of your loving eyes.
I'll always be with you and I'll always care.

So don't cry at my graveside,
cause I won't be there.

In Loving Memory
