

E'Siyah "Nuk" was born June 28th, 2024 to Esau Singleton and Sy'Esha Hudson, joining older sister, Harmony Singleton. Nuk was the youngest sibling, youngest granddaughter, and the baby of the family. Nuk was so perfect for her family, she would brighten up the day with her precious laughter and little smile. She loves to eat and had her breakfast every morning while enjoying her favorite show, Minnie Mouse boutique, and loves eating her favorite cakes with her daddy and big sister. Nuk had her first happy meal at 6 months. She loved her cuddles from her mommy and daddy and her favorite blanket and dinosaur. E'Siyah will be greatly missed

A Brief Encounter

A tiny soul, a fleeting touch, our hearts forever changed a such.
In this brief encounter, love unfilled, A bind so strong it transcends
the world.

Though you left too soon, we'll never forget. The love we had, the
dreams we meet.

Our precious baby, forever in our embrace, In heavens arms, you've
found your place.

Little Soul

To the little soul that had to go, Why life took you I do not know.
It took a piece and broke my heart, when me and you were torn
apart.

To the little soul i'll, love you forever I know one day we'll be
together.

To the little soul I'll hold your memory close, this kind of loss hurts
the most, I'll always love you.

All that I'll ever have is the memory of you. And all that you could've
been.

Butterfly Kisses

Don't cry for me please don't be sad.

Hold on to the memories of the times we both had .

Don't dwell on dark thoughts hold on tight to your wishes.

Sending you hugs and butterfly kisses.

I walk beside you I am there all day long

I am right here but you think am gone

You don't see me but I can see you

What ever the problem I will help get you through

I am the wind in your hair and sand in your toes.

Butterfly kisses that you feel on your nose.

I am with you at sunrise and in sunset.

But you can't see me is my one regret.

I sit right beside you when you are sad

You look through the photo of times we both had

I watch you sleeping I hold you is tight

Before I go I kiss you goodnight

I will watch over you from heaven above

Forever you will be my true love

Hold on to your dreams and all your wishes

Sending you hugs and butterfly kisses
