

GOD'S GARDEN

*God looked around his garden
And found an empty place
He then looked down upon the earth
And saw your tired face
He put His arms around you
And lifted you to rest
God's garden must be beautiful
He always takes the best
He knew that you were suffering
He knew you were in pain*

*He knew that you would never
Get well on earth again
He saw the road was getting rough
And the hills were hard to climb
So He closed your weary eyelids
And said "Peace be thine"
It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God called you home*
