

*Written by Karen Travis and
Marlon Dorsett My friend.*

You are my friend until the end. You are my friend through thick and thin. You are my friend in all eternity. You are my friend that God called for me. You are my friend who will always be at hand to help me with God's plan. You are my friend that watches over me during my trouble who is surely enough to see me triumph. You are my friend that I will defend until the end you will not bend but only extend the gift given to you that's in the master hand. Thank you God for my friend who is loving, steadfast, unmovable, understanding, patience and kind. The one who is my friend until the end, until the end. What a blessing to have a friend that came from above with an angel's love appeared as gentle as a dove. You are truly my friend until the end, until the end.

Never Alone written by Karen Travis

When you are uncertain about your day. Remember you're never alone so to God we will pray. Keep trusting in him. When you are worried about your tomorrow. You are never alone because you belong to God. Keep hoping in God. When you feel no one is on your side and you're all alone. Remember to trust God to turn the tide. Keep believing in God. When you hurt from yesterday's pain and yearn to touch the master hand. Remember he has a plan. Keep praising and worshipping God for it all in his hand. You are never alone. See God's voice in the quietness and calmness as he manifests his love from above showing you that you are never alone. Embrace the applauds of heaven knowing that God is with you. For my friend you are never alone. "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

Isaiah 41:10
