

## Rest In The Arms Of God, Momma

When we think of our mom I remember her as being the bravest, kindest, strongest person she was born to be. She showed love for her kids and the concern for others by volunteering her time. She was a fighter, focused on providing for her children, family, and friends. She was nice and loving to everyone she met, made you laugh when you were feeling down and most importantly of all she was beautiful. She always was there when we had cheerleading competitions and football games. She loved cooking good home cook meals just to see that smile on her kids face.
