CLOSING PRAYER

LAST CALL  
Carteret County Emergency Services

---

The Sermarini family would like to thank Pastor Clay and the Chapel by the Sea congregation for the prayers, kindness and comforting presence honoring the life of Anthony "Tony" Sermarini.

Anthony "Tony" Sermarini, 65, of Emerald Isle, North Carolina, passed away on Wednesday, December 31, 2025, at Carolina East Medical Center.

Tony was born on January 4, 1960, in Philadelphia, Pennsylvania, to Alexander and Marguerite Sermarini. Known for his dedication, discipline, and strong work ethic, Tony retired from Civil Service at Cherry Point, NC, after more than 35 years of service.

Some people make a community brighter simply by being part of it, and Tony was one of those people. He was known for his kindness, quick humor, and welcoming spirit. A natural leader and mentor, Tony was also a perfectionist who took pride in doing things the right way and giving his very best in all that he did.

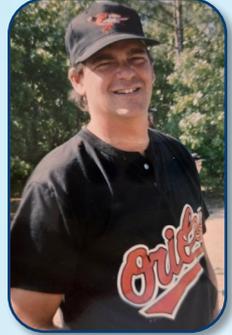

Beginning in 2002, Tony proudly served the Emerald Isle community with Emerald Isle EMS, later becoming part of the Emerald Isle Fire Department, and continued his career of service with the Town of Emerald Isle and throughout Carteret County. No matter the role, Tony cared deeply for the people he served and provided compassionate, dedicated care to everyone he encountered.

Tony found joy in the simple pleasures of life. He loved fishing, crabbing, and riding motorcycles, and had a longtime fascination with Astro Vans, which he proudly collected. He was happiest gathered around a grill, well known for his ribs, and equally loved cooking crab legs and shrimp for family and friends. When his boys were young, Tony coached their softball teams, always present and encouraging. Family beach vacations were especially dear to him, and time spent together was something he truly cherished.

Above all else, Tony loved his family fiercely. They were the center of his world, and his devotion to them shaped the man he was and the legacy he leaves behind. Tony's impact will be felt for years to come through the lives he touched, the community he served, and the family he loved so deeply.

Those remaining to cherish his memory are his loving companion, Jeannie Malone of the home; sons, Anthony Sermarini (Kendra) of Columbus, GA, Michael Sermarini (Jessica) of Swansboro, NC, and Christopher Sermarini of Lake Jackson, FL; stepdaughter, April McCombs of Garner, NC; stepson, Jason Russell (Brittany) of West Bend, WI; parents, Alexander and Marguerite Sermarini of Philadelphia, PA; sister, Debora Baseman (Del) of Jupiter, FL; brothers, Alexander Sermarini, Andrew Sermarini (Patricia), and Robert Sermarini, all of Philadelphia, PA; granddaughter, Abbie Smith of the home, and 17 additional precious grandchildren; and numerous nieces and nephews.
